Kurniawan Jatmika,
S.Kom, M.Eng
Experienced Web Developer & Server Administrator

Professional Profile

Now I'm working as a Production Head on PT Renjana Abi Yasa - https://ray.co.id , after for years being a Lecturer & Web Application Developer in various projects.

I've been learned and applied wide range of technologies including : .NET Core, EF Core, ASP.Net, PHP, JQuery, Apache, Microsoft IIS, MySQL, SQL Server, and other web-related technologies.

Never ending learning, that's my motto. So I never turning down the challenge to accomplish bigger missions and goals for the benefit of society and humanity as a whole. Especially if the projects are urgently needed for national purpose.
